

Road Advisory Committee Minutes  
11-23-2020 6:38PM

Members Present: Russ Blaney, Brady Jezewski, Craig Sykes, Jason Weir

Russ opened the meeting @ 6:38.

We reviewed the 9/11/2020 Meeting Minutes, Craig motioned to approve, Jason seconded, all voted in favor. We reviewed the 11/16/2020 Meeting Minutes, Brady motioned to approve, Russ seconded, all voted in favor.

We reviewed the Road Management Plan and Executive Summary. No changes were suggested.

We continued discussion regarding a process change where the base asphalt coat would be completed the same year as road reconstruction, and the top coat (wear layer) would be completed the following year. This allows a full year along with freeze/thaw cycles to occur, along with any settling to be complete and covered over with the top coat. All seemed to be in favor of this change.

We discussed the potential for a revolving fund for unanticipated road needs, similar to the one we have for our vehicles and equipment.

Russ made a motion to adjourn, Craig seconded, all voting in favor, Russ closed the meeting at 7:42 PM

Respectfully Submitted
