

Town of Chichester, New Hampshire

Cemetery Trustees Meeting

June 20, 2022

Fred Shaw, Ruth Hammen and Brenda Boswak met at 9:00 a.m. at Perkins-Maxfield Cemetery to photograph each gravestone, create a diagram of the gravesite locations and compile the information on individual lot sheets to add to our data base and book.

We held a brief meeting to discuss the information obtained on ground penetrating radar. Fred will contact Bob Perry of Topographic , LLC to get an estimate for having this procedure done at Perkins-Maxfield Cemetery, Knowlton Cemetery and possibly Morrill Cemetery or True Cemetery. This process will give us an accurate assessment of the availability of open space in these cemeteries.

Firefighters' flags were noticed in some cemeteries over the weekend. Fred contacted Paul Sanborn to submit the required application for display, by Tuesday June 21, 2022.

Meeting adjourned at 9:15 a.m.

Respectfully submitted,

Brenda Boswak, Cemetery Trustee, Secretary
