

Chichester Conservation Commission Special Meeting
Minutes of Meeting July 15, 2019
Spaulding Town Forest

Present: Zack Boyajian, Jim Eggers, Marianne DiTaranto, Frank Harrison, Bob Mann
Guests: Gail Britton-Kojigian and Charles Kojigian.
Call to Order at 4:00 pm.

This meeting was called to review the land and property bounds of the Spaulding Town Forest in the area adjacent to Hutchinson Road. The surface drainage, vegetation, and transition to Hutchinson Road were discussed as well as location of future parking and possible location of kiosk and trails. There are two prominent drainage courses which traverse the property from the adjacent Beauregard property.

The group reviewed the blazed property bounds to the top of the first hill where the snowmobile trail takes a turn to the north. Zach and Marianne continued further to the north and west to review possible trail locations.

Details of parking and trails will be taken up at future monthly meetings along with discussions with the Hutchinson Road neighbors, Road Agent, and Selectmen.

Meeting adjourned at 5:15 pm.
