CNHRPC-Visioning session discussion

Mr. Tardiff came to discuss setting up a visioning session and what that entailed. He explained to the Board that he would have staff members of the CNHRPC come to the meeting and run several sessions along with the Planning Board members. Typically light refreshments are provided. He recommended that the event be held at Chichester Central School so groups can break off into different areas.

Mr. Tardiff recommended that there be a short survey that the Board could get out to the community. Mr. Tardiff asked the Board to go through the old survey and mark it up and send it back to him so he can go through and pick out the important questions.

Possible date for the visioning session is June 12, 2019. Mr. Tardiff will ask the school if that date is available.

Mr. Tardiff recommended that we advertise as much as possible for the visioning session. Ms. Barnouski will post the ad on the website and social media. Post cards can also be placed in gas stations and stores.

Trail Meeting-

Mr. Jameson stated that he attended the Suncook Valley Trail Meeting they just held in Chichester and facilitated by CNHRPC. They will be discussing working on the trail system in Chichester moving forward.
