

Chichester Road Advisory Committee

Minutes of October 2, 2017

Attending: Allen Mayville Jr., Guy Goodwin, Doug Hall, Brian Eldredge, Tom Jameson, Jim Plunkett

Chair Allen Mayville opened the meeting at 6:36 pm.

Members reviewed the minutes of the September 11 meeting. A motion was then made, seconded and voted unanimously to approve the minutes of September 11, 2017.

There was discussion of a rumor that a new town resident may want to become a member of the committee. However, no one was certain of the person's name. Since RAC meetings are open to the public, it would be good if this person could attend one of the meetings.

Doug reviewed the map of town roads with Tom. Tom will make small corrections. If possible, he will print his PDF, scan it, and send the resulting JPG to Doug for inclusion in the 2018 RAC report.

Jim reported that the request for bids for the 2018 King Road project had been approved by the Board of Selectmen and should have been sent out to potential bidders. Bids will be opened at 1:00pm on Tuesday, November 14.

Because the bids will be opened after the next scheduled RAC meeting, it was decided that the next meeting will be postponed from November 13 to Monday, November 20 at 6:30pm in the Town Highway Office. That will ensure that the committee will have the information necessary to discuss and complete its final report for 2018.

The meeting was adjourned at 6:52 pm.

Respectfully submitted by

Doug Hall
