## Road Advisory Committee Minutes 01/09/2017

### Chichester Road Advisory Committee

#### Minutes of January 9, 2017

Attending: Allen Mayville, Jr., Jim Plunkett, Brian Eldredge, Doug Hall, Tom Jameson

Absent: Guy Goodwin

Chair Allen Mayville opened the meeting at 6:30pm.

A motion was made, seconded and voted unanimously to approve the minutes of the December 12 meeting.

The budget for crack-sealing was discussed. Jim indicated that the contract is about \$10,000 each year and that is sufficient to cover about 5 miles of paved roads. This means that each mile will be revisited every 4 or 5 years, although it depends on conditions of each road's surface.

There was discussion of the problems of plowing circles.

Brian explained the contractors used in Pittsfield for various road work.

Jim stated that the state section of Canterbury Road is scheduled by the state to be rebuilt in 2019 and then be turned over to the town provided the town approves. Jim feels that the date will probably be pushed back because the State did resurface their portion of the road and it now will not need rebuilding for some additional years.

Lacking an agenda for the usual monthly meeting in February, the committee decided to cancel that meeting and reschedule the March meeting for Monday March 6 at 6:30pm in the Highway office. March 6 will be in advance of town meeting and the committee will therefore have time to discuss any problems that may occur in the finalization of the budget before the meeting.

The meeting was adjourned at 7:08 pm.

Respectfully submitted by

Doug Hall
