The Board discussed the investigation of this zoning complaint and enforcing the zoning.

The Board reached an agreement with the owner of the campground to not allow any camper to camp more than one season and no camper may live at the campground year-round. The Campground also needs to meet with the Planning Board and complete a full site plan. Michael Courtney and Ari Pollock will be writing a memorandum of understanding.

Mr. Millette would like to require them to appear before the Planning Board within 45 days and have a resolution within 120 days.

The Board agreed that was reasonable.

Mr. Weir was disconnected from the zoom call. He let Mrs. Pinard know he was having trouble connecting.

Mrs. Pinard updated the Board on the Well. They are still trying to locate the best place to put the well. In the meantime, they are using the water tank for water supply.
