Zoning Compliant-

Mr. Lesieur came before the Board to discuss his concerns with his neighbor who has an unpermitted business on Kaime Road. Mr. Lesieur stated that he has gone to the Selectmen's Office several times to discuss his concerns but was told it would need to be put in writing. He stated that the owner of the business is now deceased, and he is concerned about the business operation moving forward.

The Board did confirm that it is the policy of the Board to only accept complaints in writing.

Mrs. Jobin stated that she did ask Mr. Lesieur to put his complaints in writing to the Board. She stated that she has been in touch with the property owner who was made aware that the dog grooming business is unpermitted and is working on an application to the Planning Board to bring his property into compliance. He plans on submitting an application to the Planning Board by the next deadline of March 16, 2023.

The Board asked that this violation be added to the agenda to receive updates on the progress of the approval.

Roads Complaint-

Ms. Jewitt came before the Board to discuss her concerns with the conditions of the roads and snow removal, particularly on Smith Sanborn Road. She stated that there has been no grading on the dirt roads and product keeps being put down just to run off. She stated that the ruts in the road are bad and the roads in general are in terrible condition. She asked the Board to discuss this with the Road Agent.
