**Road Agent Resignation**

Mrs. Pinard stated that the Road Agent Mr. Plunkett handed in his resignation and his last day was February 29, 2020.

Mrs. Pinard stated that she received legal advice that the Town would be able to appoint a nonresident.

Mrs. Pinard also announced the resignation of another full-time highway department employee, and the other full-time employee is running in another Town for Road Agent unopposed and will likely be elected on March 10th which will leave the highway department with only one part-timer.

Mr. Weir stated that he spoke with Gordon Ellis, a former Road Agent in another Town who stated he would be willing to fill in.

The Board discussed what kind of experience level they would require for the new Road Agent. Mrs. Pinard recommended at least five years.

The Board also looked at the job description and asked Mrs. Pinard to post the Road Agent Job and also full-time positions.

Mr. Richard Millette asked why the Town is in the position of losing so many of the highway crew.

Mr. Weir stated that he had already built a house in another state and was planning on leaving anyway.

Mr. Millette stated that anyone who attended the meetings can see how he was being treated and he took many nights of abuse. He stated that Mr. Plunkett left like a gentleman and he doesn't blame him for that.

She also stated that she has put in a question to the moderator of the Candidates night about how the candidates for Selectmen plan to treat and discipline employees.

Mr. Richard Millette asked if he gave an exit interview.

The Board stated that he did not.

Mr. Bouchard stated he never had any issues with Mr. Plunkett, or his conduct and he is sad to see him go.

Mr. Richard Millette stated that he feels that the way Mr. Plunkett was treated by a Selectmen is a huge embarrassment and is very low class. He stated that any person who treats another person like that should not be re-elected and hopes towns people do research before the next election.

Mrs. Paradise stated that Mr. Plunkett has done a great job and has done the best she’s seen so far.
Mr. Shackford stated that Mr. Plunkett really cared about the Town and didn’t hire everything out. He also stated that Chichester is a small Town and he doesn’t want it to be appointed, he wants to elect the new Road Agent.

Mr. Millette stated that he used to be in full agreement with keeping the position appointed. Chichester used to elect based on what the person had for personal equipment. In this day in age it only makes sense to have an appointed Road Agent.

Mr. Mayville stated that we need to find someone with construction experience. He also stated that Mr. Plunkett did whatever he wanted to do and that’s why it needs to be appointed.

Mr. Bouchard stated that Mr. Plunkett was for the changeover to appointed as well.
