2. 1. Necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
2. Expenditures that were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government; and
3. Were incurred during the period that begins on March 1, 2020, and for purposes of this Agreement, ends on August 30, 2020.

The allowable purposes and use of funds are more specifically described in EXHIBIT A.

3. EFFECTIVE DATE: COMPLETION OF GRANT.

This Agreement, and all obligations of the parties hereunder, shall become effective on the date of approval of this Agreement by the State in paragraph 1.12 (“the effective date”).

Except as otherwise specifically provided herein, this Grant, including all reports required by this Agreement, shall be completed in their entirety prior to September 30, 2020.

4. GRANT AMOUNT: LIMITATION ON AMOUNT: VOUCHERS: PAYMENT.

The Grant Amount is identified and more particularly described in EXHIBIT B, attached hereto.

The manner of, and schedule of payment shall be as set forth in EXHIBIT B.

In accordance with the provisions set forth in EXHIBIT B, and in consideration of the satisfactory performance of the Grant, as determined by the State, the State shall pay the Grantee up to the Grant Amount.

The payment by the State of the Grant amount shall be the only, and the complete payment to the Grantee for all expenses, of whatever nature, incurred by the Grantee and claimed as allowable expenses under this Agreement. To the extent that the Grant amount does not cover all of the Grantee’s allowable expenses, nothing in this Agreement shall be construed to limit the Grantee’s ability to pursue other COVID-19 relief that may be available. However, under this Agreement, the State shall have no liabilities to the Grantee other than the Grant Amount.

Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in Paragraph 1.8 of these general provisions.

5. COMPLIANCE BY GRANTEE WITH LAWS AND REGULATIONS. In connection with the performance of the Grant, the Grantee shall comply with all statutes, laws, regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Grantee, including the acquisition of any and all necessary permits.

6. RECORDS AND ACCOUNTS.

Between the Effective Date and the date three (3) years after the Completion Date the Grantee shall keep detailed accounts of all expenses incurred in connection with the Grant, including, but not limited to, costs of administration, transportation, insurance, telephone calls, and clerical materials and services. Such accounts shall be supported by receipts, invoices, bills and other similar documents.

Between the Effective Date and the date three (3) years after the Completion Date, at any time during the Grantee's normal business hours, and as often as the State, the U.S. Department of Treasury or OMB shall demand, the Grantee shall make available to the State, the U.S. Department of Treasury or OMB all records pertaining to matters covered by this Agreement. The Grantee shall permit the State, the U.S. Department of Treasury or OMB to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, data, and other information relating to all matters covered by this Agreement. As used in this paragraph, "Grantee" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Grantee in Paragraph 1.3 of these provisions

7. PERSONNEL.

The Grantee shall, at its own expense, provide all personnel necessary to perform the Grant. The Grantee warrants that all personnel engaged in the Grant shall be qualified to perform such Grant, and shall be properly licensed and authorized to perform such Grant under all applicable laws. Grantee shall comply with all state and federal personnel and labor laws applicable to its employees.

The Grant Officer shall be the representative of the State hereunder. In the event of any dispute hereunder, the interpretation of this Agreement by the Grant Officer, and his/her decision on any dispute, shall be final.

8. CONDITIONAL NATURE OF AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

9. EVENT OF DEFAULT: REMEDIES.

Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

Failure to perform the Grant satisfactorily or on schedule; or

Failure to submit any report required hereunder; or

Failure to maintain, or permit access to, the records required hereunder; or

Failure to perform any of the other covenants and conditions of this Agreement.

Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the

Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

Recoup from the Grantee, including by withholding any other payment of funds that becomes due to Grantee from the State, any payments under this Agreement that have been used in a manner contrary to the terms of this Agreement or the Coronavirus Relief Fund, H.R. 748, Section 5001; and

Treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

10. TERMINATION.

In the event of any early termination of this Agreement for any reason other than the completion of the Grant, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Grant expenses reimbursed, and the Grant Amount earned, to and including the date of termination.

In the event of Termination under paragraph 9 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.

The approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

11. CONFLICT OF INTEREST. No officer, member or employee of the Grantee, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Grant is to be performed, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such Grant, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

12. GRANTEE'S RELATION TO THE STATE. In the performance of this Agreement the Grantee, its employees, and any subcontractor or subgrantee of the Grantee are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.

13. ASSIGNMENT AND SUBCONTRACTS. The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State.

14. INDEMNIFICATION. The Grantee shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts

or omissions of the Grantee or subcontractor, or subgrantee or other agent of the Grantee. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this Agreement.

15. INSURANCE AND BOND.

The Grantee shall, at its own expense, obtain and maintain in force, the following insurance:

Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Grant, and

Comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$1,000,000 per occurrence and \$2,000,000 aggregate for bodily injury or death in any one incident, and \$500,000 for property damage in any one incident; and

The policies shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, by United States Mail, addressed to the parties at the addresses first above given.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Council of the State of New Hampshire, if required or by the signing State Agency.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the law of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assignees. The captions are used only as a matter of convenience, and are not to be considered a part of this Agreement or to be used in determining the intent of the parties hereto.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings relating hereto.

GOFERR GRANT AGREEMENT EXHIBIT A

Scope of Allowable Uses of Coronavirus Relief Fund Grant

1. Grantee agrees that all expenditures for costs that it submits for reimbursement under this agreement shall meet the following criteria:

- a.) are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
- b.) were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government; and
- c.) were incurred during the period that begins on March 1, 2020, and for purposes of this Agreement, ends on August 30, 2020.

2. As used herein the criteria above shall have the following meaning:

a.) Necessary expenditures due to the public health emergency means expenditures must be used for actions taken to respond to the public health emergency. These may include expenditures incurred to allow local government to respond directly to the COVID-19 emergency, such as by addressing medical or public health needs. Funds may not be used to fill shortfalls in government revenue to cover expenditures that would not otherwise qualify under the statute.

b.) Costs not accounted for in the budget most recently approved as of March 27, 2020 means:

(i) the cost cannot lawfully be funded using a line item, allotment, or allocation within the Grantee's budget meeting the above definition, but excluding subsequent supplemental appropriations, including from a rainy day or reserve fund or other budgetary adjustments taken to respond to COVID-19; or

(ii) the cost is for a substantially different use from any expected use of funds in such a line item, allotment, or allocation.

c.) A cost is "incurred" when the responsible unit of government has expended funds to cover the cost during the period March 1, 2020 to December 30, 2020.

3. The U.S. Treasury guidance on allowable uses of Coronavirus Relief Funds (Exhibit A.1) and U.S. Treasury Answers to Frequently Asked Questions (FAQ's) regarding allowable uses of Coronavirus Relief Funds (Exhibit A.2) are incorporated herein and made part of this Agreement as if set forth in full.

4. Grantee is required to exhaust other available sources of COVID-19 relief funds first. Grantee will not submit allowable expenditures for reimbursement under this Agreement that are, or may, also be eligible for reimbursement from any other available federal or other public funding source for COVID-19 relief that is now, or that becomes available during the term of this Agreement, including, but not limited to the Federal Emergency Management Agency (FEMA), the Centers for Disease Control (CDC), Health and Human Services including Medicaid and Medicare, Treasury or the Small Business Administration until application has been made for such other funding and been disallowed or paid only in part. If an allowable expenditure is denied or covered only in part by such alternate relief funding source, the expenditure or remainder will be allowed under this Agreement during the period of

Initials _____

reimbursement in which the denial or partial payment decision is received, subject to the statutes, rules and guidance for the alternate funding source. For example, at this time, FEMA reimbursement is for 75% of allowable costs, but the 25% State or local match cannot be made up from other federal funds.

5. Except as specifically waived by OMB or Treasury for recipients of Coronavirus Relief Funds, the provisions of 2 C.F.R. 200 shall apply to this Grant, including but not limited to, if Grantee has received more than \$750,000 in federal funds from all sources, the federal single audit requirements of §200.501.

6. Unique entity identifier and System for Award Management (SAM)—Required. Grantees must normally (i) Be registered in SAM before submitting an application; (ii) provide a valid unique entity identifier in its application; and (iii) continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an application or plan under consideration by a Federal awarding agency. This requirement has been relaxed by OMB for grants related to Coronavirus Relief Funds so that Grantees must only submit proof of SAMs registration and the unique entity identifier prior to their first receipt of funds. EXHIBIT I and J should be returned completed with the executed Grant Agreement, and must be received completed before any disbursement can be made.

7. The U.S. Treasury may issue subsequent or further guidance on allowable uses of Coronavirus Relief Funds. Therefore GOFERR may periodically issue Subgrantee Guidance (SG) and Subgrantee Notices (SN) or other clarifications as necessary. All such changes shall be considered as incorporated into this Agreement. The Grantee agrees to abide by any SG, SN or other instructions issued by GOFERR.
